

We are at the Peak. We are hiking and taking photos. There is a restaurant. We love the Peak Tram and the restaurant. I am happy because Ben and Cherry love Hong Kong.

I am in Hong Kong with Ben and Cherry. It is spring. It is hot and sunny. We are wearing pink and red T-shirts and pink shorts. Ben is wearing a red cap. We are sight-seeing. We are happy because we are on the Star Ferry.

We are at Ocean Park. We are watching a dolphin show. We are eating fish balls because we are hungry. We are drinking iced lemon tea because we are very full and thirsty. They are yummy.
