

# **Let's Make Sandwiches**

By 3A Zou Ki Yam Ryan

In the morning, Mary and Susie are at home. They are hungry so they want to make ham sandwiches.

Mary and Susie look in the fridge. They see a lot of ham, some cheese and a box of butter.

There isn't any bread. They feel sad and disappointed.

They go to the supermarket to buy some bread. They go home and make the sandwiches. They feel happy.
