

In the evening, Mike and Mabel are jumping on the purple armchair. They are happy.

They are jumping on the purple sofa and sliding on the smooth coffee table. The flowers are falling. They are swinging on the light too.

Oh no! Coco is coming! Mike and Mabel are sitting on the light and crying because they are scared.

Mike and Mabel are running away from Coco but Coco runs very fast so Mike and Mabel are caught by him. This time the Lee family wakes up. They are angry because Coco breaks the furniture. Naughty Cat!
