

My Family

by Sharmeen

This is my family. My sister is watching TV in the living room. She has long hair. My brother is making a model in the bedroom. He has long arms. Mom and dad are talking. Mom is beautiful. Dad has short hair. I am laughing. I am wearing a birthday hat.

Today is my birthday. I am happy. I love my family. I have many presents. Mom gives me a pink dress. My brother gives me a toy doll. My father gives me a pink hat and my sister gives me pink shoes. I like my birthday.
