

## Tom was sick

Last week, Tom had a stomachache so his dad took him to the clinic. They sat in the waiting area.

The nurse asked Tom, 'What's the matter?' Tom said, 'I've got a stomachache because I ate too much ice cream last night.' The doctor told Tom to take some medicine and rest in bed for two days.

When Tom and Dad were leaving the clinic, they saw two men. They were carrying a big box. Suddenly, the box fell onto Dad's toes.

In the end, they went back to the clinic. The doctor told Dad to rest at home for a month.
