

About Myself

My name is Helen Deng. I am twelve years old. I have been studying in Hong Kong Red Swastika Society Tuen Mun Primary School for almost three years. My favourite subjects are Music and Art.

I am an honest person. I never cheat my friends. I am outgoing too. I like talking to others and I am not shy when I meet others.

Talking about my hobbies, I like reading very much. I go to Tuen Mun Library once a week. I also like drawing. I won an award in a painting competition last year.

As for my strengths, I am a monitress and a prefect. I am good at performing so I join the school English Drama Club. I am good at playing the recorder too so I join the recorder club.

I want to be a doctor when I grow up because I like helping others especially the poor ones.
