

A Big Eric

By 6B Yvonne

They did not know what to do. Then the genie had an idea. 'You need to go to find the wizard to help you,' he suggested.

The wizard lived in a castle on a mountain.

They climbed and reached the top of the mountain.

Soon, they talked with the wizard. The wizard had small eyes and

was very ugly but he was very nice and friendly.

He helped Eric to become shorter but he wanted Eric to run for one hour. Eric felt surprised.

In the end Eric became shorter. At last he went home happily.
