

Peter's First Day at School

By Francis

Today is Peter's first day at school. He is sitting on a bench in the morning. He looks at the boy playing basketball. Peter wants to play with them.

A boy wants to play with Peter so he asks Peter, 'do you want to play with me?' Peter says, 'of course.'

First Peter and the boy play basketball together. Then Peter falls down and hurts his right knee. He feels sad and cries.

Finally they ask Miss Chan for help.
