

Lost on Lantau

By Qiu Yongchao, Edwin 5B

Last Sunday afternoon Mr and Mrs Chan went hiking on Lantau.

On their way back, they got lost and it was dark. Mrs Chan said, 'Oh dear! What shall we do? We are lost!'

Luckily they saw a man. The man showed them the way. 'How far is it from here to the bus stop?' asked Mrs Chan. 'It's about one kilometre,' the man replied.

They arrived at the bus stop, only to find a bus leaving. They tried to chase it but they were too late. 'Don't worry. We can call a taxi,' Mr Chan said. They got home by taxi. They were tired and sleepy.
