

Tom was Sick

By Cheng Kin Lok, Kelvin 5B

Yesterday, Tom had a stomachache so he went to the clinic.

The nurse asked Tom, 'What did you eat last night?' Tom said, 'I ate a lot of ice cream last night.'

The doctor told Tom to take some medicine and rest in bed for two days.

When Tom and his dad were leaving the clinic, they saw two men carrying a heavy box. Suddenly, the heavy box dropped and broke Dad's foot. Dad went to the clinic again but the doctor said, 'It is serious. You should go to the hospital.' The doctor called an ambulance. Then Dad saw a doctor in the hospital. The doctor said, 'You should rest in bed for two weeks.'
