Eric's Adventure

They did not know what to do. Then the genie had an idea. 'Let's ask the wizard for help,' he suggested.

Then they went to find the wizard. First they crossed the river. Then they climbed the mountain. At last they found the wizard. The wizard was helpful. 'Don't worry. I can help you,' said the wizard. Next, he gave Eric some magic water which was bright like diamonds. Eric became his normal size again after he drank the magic water. He was very happy.

In the end, Eric went home and lived happily ever after.
