

# My Mother

My mother is tall and thin. Her hair is as smooth as silk. Her cheeks are red like roses. Her eyes are bright like diamonds.

My mother is a security guard. She is as gentle as a lamb but she is also as brave as a lion. She is hard-working like an ant too. I like her because when I have a problem, she listens to me and gives me advice. She is good at cooking.

I love her very much but she has long working hours so she seldom talks with me. I like going shopping with her in the spare time. I hope she can talk with me every day.
