

My Photo Album in Hong Kong

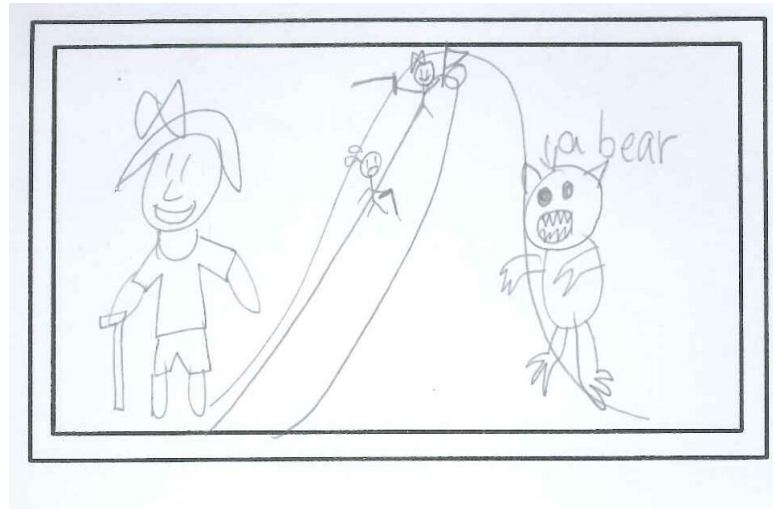

By 2B Angel Chan Tsz Kwan

I am in Hong Kong with Ben and Cherry. It is spring. It is sunny and warm. We are wearing T-shirts and shorts. We are eating yummy ice cream. We are happy.

We are at Ocean Park. We are watching a dolphin show. The dolphins are swimming and jumping. We are eating two big fish balls and drinking yellow lemon tea because we are hungry and thirsty.

We are at The Peak. We are hiking. We are excited because we like Hong Kong.
