

My Photo Album in Hong Kong

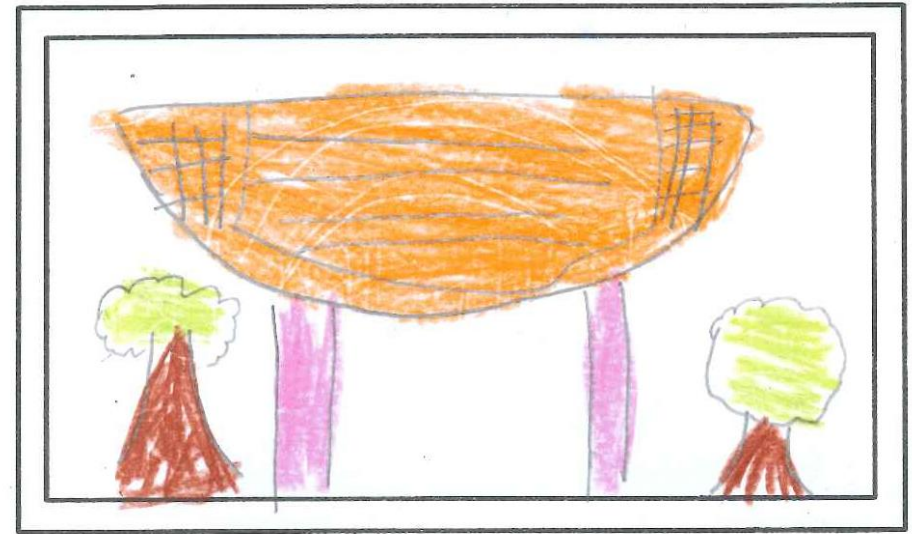

By 2B Helen Wong Hei Lui

I am in Hong Kong with Ben and Cherry. It is spring. It is sunny and warm. We are wearing black T-shirts and white shorts. We are walking. We are excited because we are eating yellow ice cream.

We are at Ocean Park. We are watching a dolphin show. The dolphins are swimming and doing tricks. We are eating four big fish balls and drinking cold lemon tea because we are hungry and thirsty.

We are at The Peak. We are taking photos. We are happy because we like hiking.
