

Ben and Cherry in Hong Kong

Day 1

I am with Ben and Cherry in Hong Kong. It is summer. It is sunny and hot. We are wearing green caps and red T-shirts. We are taking the big green and white ferry. We are happy because we like Hong Kong.

Day 2

We are at Ocean Park. We are watching a grey dolphin show. The dolphins are swimming and diving. We are eating seven small fish balls and drinking a big cold brown lemon tea because we are hungry and thirsty. We feel great.

Day 3

We are at the Peak. We are sightseeing. We are taking the red Peak Tram. We go to the big shopping mall at the Peak. We go to buy some new toys, a new black cap and a pair of orange boots. Then we go to a food shop and buy some candies. We are excited!
