

A Visit to the Wetland Park

by 2D Chen Emily

Hello Taylor,

I'm at Wetland Park. It is in Tin Shui Wai, Hong Kong. It is summer. The weather is hot and sunny.

There are beautiful eleven huge birds. There are also big brown crabs and colourful twenty fish in the pond. The grass and trees are tall and strong.

I can walk. I like taking photos. I don't like watching birds with my sister. Wetland Park is Fun. I feel happy.

Goodbye,

Emily
