

A decorative border surrounds the text, featuring a repeating pattern of stylized birds in blue, pink, orange, and green. The birds are arranged in a grid-like fashion along the top, bottom, and sides of the page.

## My Classmate - Cherry

By 3B Sharmeen

Cherry is my classmate. She is eleven years old. She lives in Tuen Mun. She comes to school on foot. She sits in front of me. She is tall and thin. She has long hair. She is strong.

Cherry is hard-working. She studies a lot. She is naughty. She plays tricks on others but she never plays tricks on me.

Cherry's favourite subject is Visual Arts. She is good at drawing. I like her drawing very much. She likes eating ice-cream. She usually plays computer games. She likes winter best because she likes eating hotpot in winter. She likes Christmas too. She likes watching the Christmas lights.

Cherry is my best friend. I like her very much.
