

Tom was sick

Three days ago, Tom had a stomachache so he didn't go to school and his dad took him to the clinic. Tom was not feeling well. The nurse asked Tom, "Boy! What's the matter? You look very bad!"

Tom said, "Oh! Yesterday I ate too much ice cream. My belly is very uncomfortable and Dad said, 'Please help my son!'"

The nurse said "OK" and told the doctor about this. The doctor asked Tom to see him. Tom told the doctor that he was ill.

The doctor said, "Take some medicine and rest in bed for one day! Tom! Hope you get well soon." He also said, "Good luck! Don't eat too much ice cream next time. Pay attention to have good eating habits, Bye!" Tom said "thank you" to the doctor.

When Tom and his dad were leaving the clinic, they saw two men who were carrying a bug and heavy box. It was like a heavy elephant in the box. His dad jokingly said, "Ha! Yesterday I told you not to eat too much ice cream. Now ... Ah!" When Tom's dad was talking to Tom, the men suddenly dropped the box and the box hit Dad's foot. He screamed and felt awful. The two men were shocked and said "sorry" to Tom and his dad. They took Tom's dad to the clinic.

The doctor saw Tom's dad and said, "Hello! Ha! You are here again. What's happened to your foot? Tom's dad told him the story. The doctor smiled and told Tom's dad that he should rest in hospital for a week. Tom's dad was shocked. The two men paid for the medical expenses.

Finally Tom went home by himself. Poor Tom's dad was still in the hospital.
