

Eric and the Genie

They did not know what to do. Then the genie had an idea. 'We should go to find the wizard,' he suggested. Then they went to find the wizard but they did not find him.

Suddenly the genie said, 'I have an idea but I want you to help me find the ingredients to summon him.' Eric agreed. Then the genie said, 'The ingredients are a chicken and a cow.' Eric went to find the ingredients. He felt excited.

After a while, Eric found the ingredients. Soon the wizard with a white beard appeared. After that Eric said, 'Can you make me short again?'

'Yes! Sure!' the wizard said.

In the end, Eric was short again. He was so happy and he thanked the wizard and the genie. Finally, he went back home.
