

My Best Friend and Me

4B Cherry Huo

My name is Cherry. I am a girl. I am ten years old. My birthday is on 16th October. I think I am thin and tall. I am polite and hard-working.

Sharmeen is my best friend. She is taller and heavier than me. She is the heaviest girl in class.

I like going cycling but I don't like collecting stickers. I also like dancing. I sometimes go dancing on Sundays. I never collect stamps.
