

A Big Fish?

Lee Yik Shan 5A (12)

It was sunny and hot. Two boys went fishing by a river. They were Wilson and Ricky.

Wilson and Ricky waited and waited. Wilson got a small fish! He felt very excited but Ricky was not. He did not get any fish. He was jealous of Wilson.

Suddenly, something pulled Ricky's fishing rod. He pulled his rod up.

It was not a fish! He got a shoe. He felt very angry and threw the shoe back to the river. He went home without any fish.
