

A Big Fish?

On Sunday, Wilson and Ricky went fishing. It was hot and sunny. They went to a lake. They were happy.

Wilson and Ricky waited patiently. 'Yeah' Wilson shouted. He caught a fish which was tiny. He felt happy. Ricky was unhappy because he didn't catch any fish.

Ricky wanted to catch a fish like Wilson's. Suddenly, the fishing rod was shaking. Ricky pulled the fishing rod. 'Help, Wilson!' Then they caught a lobster. 'Oh!' They screamed.

In the end, they took the lobster back home and ate it. They felt very happy.
