

A Big Fish?

The weather was sunny. Wilson and Ricky went fishing on weekend in the lake.

They were happy and excited.

They waited patiently. Suddenly, Wilson got a fish. He felt happy. The size of the fish was small. Ricky felt sad because he didn't catch any fish.

Then Ricky pulled the fishing rod but still he could not catch a fish.

At the end, the boys caught ten big fish. They steamed the fish. They felt enjoyable. It was an unforgettable day for them.
