

A Big Fish?

Yesterday Wilson and Ricky went fishing near the river. They were very happy.

They waited patiently. Suddenly, Wilson got a baby fish. Ricky was so sad because he didn't get any fish.

Later, Ricky got something. Ricky pulled the fishing rod. But it didn't work. So Ricky called Wilson for help. Then they pulled the fishing rod together again. This time it worked.

At last, they got the biggest shark. Ricky and Wilson said, " Oh my god! Let's feed it!" So later on they got a shark that they could play with.
