

A Big Fish?

The weather was cool. Wilson and Ricky went fishing last weekend near the river.

They were happy and excited.

They waited patiently. Suddenly, Wilson got a fish. He felt excited. The size of the fish was small. Ricky felt bored because he didn't get a fish.

Then the fishing rod was moving. Ricky was surprised. And he pulled the fishing rod. Sadly, he got a wallet.

At the end, the boys caught one fish. They felt excited. It was an unforgettable day for them.
