

My Dream Job

6A Wong Yik Ling Elaine

Everybody has his or her dream job. My dream job is to be a teacher.

I want to be a teacher because I want to help children learn more and I think this job is meaningful.

If I become a teacher, I'll give children less homework and teach them patiently.

Teachers need to be smart and hard-working so that they can teach well. I want to be a teacher of General Studies because I like General Studies.

I think this job is suitable for me because I am caring and patient. Right now, I have to work hard so that I can become a teacher. I hope I will be a good teacher.
