

Chinese New Year

Chinese New Year is on the first day of the lunar calendar. Chinese New Year is in spring. The weather is cool. It is a Chinese festival. Chinese New Year marks the beginning of a lunar new year.

Before the coming of Chinese New Year, people go to the flower markets to buy good luck flowers. Families decorate their homes with flowers and spring couplets. During the Chinese New Year, people visit relatives and friends. Adults give lucky money to children. People usually eat rice cakes, turnip cakes and red melon seeds.

I love Chinese New Year because I can get a lot of lucky money.
