We are at the Peak. We are looking at views of Hong Kong. We are eating fish balls. We are happy. We see pink and yellow flowers, red butterflies and big brown birds. We have a very happy day.

We are in Hong Kong with Ben and Cherry. It is sunny. Cherry and Ben are wearing yellow caps and purple T-shirts. They are sight-seeing. They are very happy.

We are in Ocean Park. We are playing water rides. We are watching big sharks. We are having lots of fun. We are eating big fish balls and drinking hot milk. We like Ocean Park.
