

Candy's Photo Album
By 2C Xu Huihui, Candy

We are at the Peak. We are riding on the Peak Tram. We are looking at views of Hong Kong. We take photos. We are excited. We like the peak. We have a great time!

We are in Hong Kong with Ben and Cherry. It is winter. It is dry and windy. They are wearing black scarfs and red sweaters. They are eating hotpot. We are very happy.

We are in very big Ocean Park. We are walking in shark tunnel. We are eating big fish balls and drinking iced lemon tea. We are playing water rides. We have a good time.
