Cyndi's Restaurant

My name is Chef Cyndi. I like cooking for hungry people. Welcome to my restaurant.

My favourite starter is a plate of spicy chicken wings because they are yummy. My favourite main dish is a plate of salty burger because it is big and yummy. It is as salty as salted fish.

You must try my sweet apple pie because it is very tasty. You can try a cup of bitter coffee because it is bitter and amazing. It is as bitter as a bittermelon.

Please come to my restaurant and enjoy the yummy food!
