## We Love Hong Kong

We are in Hong Kong with Ben and Cherry. It is summer. It is sunny and hot. We are wearing our red T-shirts and a big blue cap. We are looking at the sea. We feel happy.

We are at Ocean Park. We are watching a dolphin show. We are eating big yellow fish balls and drinking iced cola. We feel happy.

We are at The Peak. We are looking at the views of Hong Kong and taking photos. We feel excited.

We love Hong Kong.
