

We are in Hong Kong with Ben and Cherry.
It is summer. It is hot and sunny. We are
wearing big blue T-shirts and small red caps.
We are looking at Hong Kong Harbour. We
are happy.

We are at Ocean Park. We are watching a dolphin show. We are eating good white fish balls and drinking iced yellow lemon tea because we are hungry and hot.

We are at the Peak. We are looking at the view of Hong Kong and riding on the Peak tram. We can see birds. We are eating pizza because we are hungry. We are happy and excited.
