

We are in Hong Kong with Ben and Cherry. It is summer. It is hot and sunny. We are wearing red T-shirts and blue shorts. We are looking at Hong Kong Harbour. We are swimming. We are happy.

We are at Ocean Park. We are watching a dolphin show. We are eating fish balls and drinking iced yellow lemon tea because we are hungry and hot. We are happy and excited.

We are at the Peak. We are riding on the Peak tram and looking at the view of Hong Kong. We are eating pizza because we are hungry. We are happy.
