

The Sea Rescue

by Leo Liu

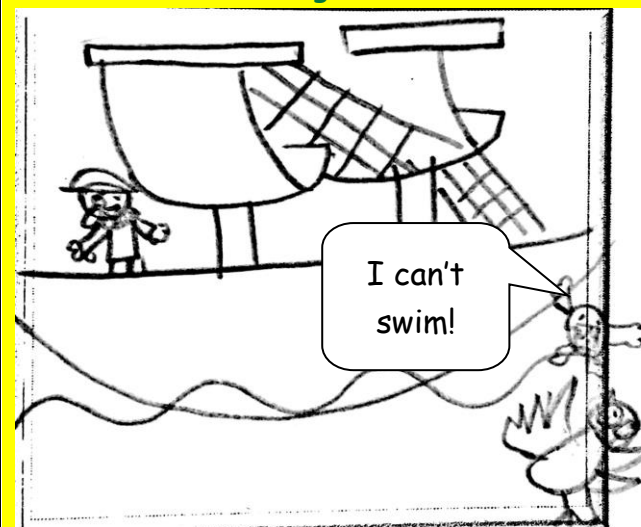

In the afternoon, Hungry Bun, Pang the Pirate and Pete the Parrot were on the junk.

Pete the Parrot went swimming. Hungry Bun wanted to go swimming too.

Next, Hungry Bun wanted to eat Pete the Parrot because it was hungry. Then, Hungry Bun jumped into the water. But it didn't know swimming.

Finally, Pang the Pirate saved Hungry Bun but not Pete because Hungry Bun could not swim. Pete flew back to the junk.
