

# What's for Lunch?

On Friday morning, Bella, Katarina, Steve, Aunt Fifi and Aunt Eve were waiting for the junk. They were chatting. They were very excited.

They were at the pier. The junk was coming. The pirate said 'Welcome to my junk'. Then they got on the junk. They played games on it.

Oh! Steve, Bella and Katarina were very hungry. They said 'I am very hungry!' They were unhappy.

Then the pirate went fishing. They had some seafood. Aunt Fifi cooked the seafood and Aunt Eve helped her. Then they ate some seafood. The seafood was fantastic.
