

LUCY the Depollutionator

Designed by

Alice, Ip Hei Tung 3C (12)

B. Design your own depollutionator. Draw your robot and write about it. 7 FEB 2018

This is Lucy the Depollutionator.

He/She is made out of a cardboard box, bowls and paper plates.
(circle one)

He/She can turn rubbish into paper and write on it.
(circle one) ~~students~~ ^{students can}
