### What's for Lunch?

At the weekend, Aunt Fifi, Katarina, Bella, Steve and Aunt Eve were at the pier. They wanted to meet each other because they wanted to go to Cheung Chau. They felt excited and joyful.

Then they saw a big pirate junk and a pirate. Next the pirate opened the door and let them get onto the pirate junk.

Suddenly, Katarina and Bella felt hungry. Steve said, 'Are you hungry?' Then Katarina and Bella answered, 'Yes, we are. We want to have lunch.'

The children thought they could make sandwiches together, so they found some food and utensils. Steve said, 'We can start now.' Finally, they ate yummy food. They felt happy because they were full.
