

Eamon's Dream School

There is a big jungle room in my dream
— school. It is on the third floor. There
— are ten green trees. There are white
— and black zebras. There is a brown lion.
— We can climb the green trees. We can
— play with the white and black zebras.
— We must climb trees. We must not run.
— We must play with the zebras. We like
— playing with the zebras.
