

# Oh! No!

## There's a Mouse!

On Friday, Halie, Ben, Bacon and Kiki are in Mega Mall. They discuss where to go to eat pizza.

In the afternoon, Hailie says, 'Let's go to Gail's Fast Food.'

They eat ham, cheese and mushroom pizza. They drink orange juice too. Bacon says, 'Oh! No!' He sees a mouse eating the pizza under their table.

They feel very angry. 'Why is there a mouse in a restaurant?' asks Hailie. They catch the mouse and take it outside. They never go to Gail's Fast Food again.
