

My friend and me

My name is Siki. I am a girl.

I am eleven years old. My birthday is on 15th October. I think I am tall and fat. I am optimistic and lively.

Linda is my best friend. I am fatter than her. Her hair is shorter than my hair. I am the tallest girl in class.

I like going swimming but I don't like running. I like playing the piano. I always play the piano with Mum on Mondays.
