

My Friends and Me

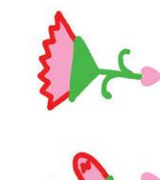

My name is Kitty. I am a girl. I am ten
years old. My birthday is on 22nd March. I
think I am good looking and I have small eyes.
I am friendly and talkative.

Lisa is my best friend. She is friendly.
She likes playing the piano. I like Lisa
because she likes talking to me.

I like reading magazines and singing but
I don't like playing football. I also like
reading books. I sometimes go to the library
with my sister on Saturdays.
