

A Big Fish

By Chen Wan Ting Vivian

Yesterday was hot and sunny so Wilson and Ricky went fishing by a river. They were very excited.

They waited patiently because they wanted to catch fish for dinner. Suddenly, Wilson's fishing rod was shaking so he pulled it up. Wilson said, 'Just a small fish. I will catch a big fish later.' Ricky looked at Wilson's fish and he was jealous of Wilson.

Ricky still waited patiently. Suddenly Ricky felt something pulling his fishing rod. He was very excited and he pulled his fishing rod up. He shouted loudly, 'I have a big fish! I have a big fish!'

Oh! It was not a fish. Ricky caught a bag of gold. Ricky was very disappointed but Wilson suggested him to give the gold to the poor.

In the end, the boys took the gold back home and gave them to the poor.
