

My School Picnic

By Liu Lin Hong

I went to Hong Kong Baptist Assembly with my classmates and teachers for a school picnic last Tuesday. I went there by school bus. The weather was hot and sunny on that day. I felt cheerful and excited about it. We arrived at Hong Kong Baptist Assembly at 11.

I did a lot of things in Hong Kong Baptist Assembly. First I took class photos with my classmates and Miss Lau. Then Miss Lau took us to the barbecue site. We rested under the big tree and took out the food. We ate hot dogs, salad, chicken wings and pizza for our lunch.

After that, I played basketball with my classmates. We felt very excited. Suddenly, I was careless and fell down. I hurt my left leg. Tom saw what happened and he asked Miss Wong for help.

Thirty minutes later, I played games again. I played mini golf with Bosco. Unluckily, I was hit by the putter. What a bad day!

All my classmates had a great time but I learnt I should be careful next time.
