Lai Hoi Ching Season 6A

Today my friends and I went to Sunshine Old People's Home to visit Grandpa Chan and some old people. We were excited. I saw a lot of old people. Amy and Candy chatted with them. John and I played Chinese chess with Grandpa Chan and his friend Ken. They were happy.

Then we gave the old people some gifts. They said thank you to us. Suddenly I discovered there were not enough gifts. We were worried. I said, 'I have an idea. I can ask my friends to bring more gifts to us.' They said, 'OK. Let's do it.'

Finally, I asked my friends to bring more gifts to us so that everyone had a gift. They felt happy. We felt happy too.
