

About Myself

I am Ayman. I am 11 years old. I think I am hard-working and caring. I play football and go swimming in my spare time. I have played football for four years. I won a bronze medal in a football match.

I study at Hong Kong Red Swastika Society Tuen Mun Primary School. My favourite subject is PE. I have joined Football Club. My favourite teacher is Miss Wong because if I don't know how to do my Chinese homework, she will always help me. I am also a prefect and an English ambassador.

I want to be a football player when I grow up because I like playing football. I want to come to this school because this is a good school. My friend is also studying here.
