

## About Myself

I am Peter. I am twelve years old. I think I am very outgoing and lazy. I play basketball and football in my spare time. I have played football for two years. I won a gold medal in a basketball competition.

I study at Hong Kong Red Swastika Society Tuen Mun Primary School. My favourite subject is Maths.

I have joined the Running Club. I am also a prefect. I have duties on Mondays and Thursdays. I want to be a doctor when I grow up because I want to help others. I want to come to this school because this is a good school. My sister is also studying here. My favourite teacher is Mr Chu. He is very good-looking. Also he is very caring and brave.
