Ben and Cherry are in Hong Kong. We are in Hong Kong. It is summer. It is hot and sunny. We are wearing red caps and orange T-shirts. We are looking at the view of Hong Kong and going by Star Ferry. We are happy and excited because we are in Hong Kong.

Ben and Cherry are in the photo. We are in Ocean Park. We are looking at the dolphin show. We are drinking lemon tea. It is sweet. We are eating fish balls. They are yummy. We are happy and excited because we can see the dolphin show.
