

## My Restaurant

My name is Chef Selina. I love eating and drinking. Welcome to my restaurant.

My favourite starters are a bowl of soup and a plate of salad because they are yummy.

My favourite main dishes are sour beef and salty chicken with fries because they are sour and salty.

You can try my yummy ice-cream. We have strawberry, vanilla, mango, chocolate and banana.

They are yummy. You can try my sweet lemon tea because it is sweet.

Please enjoy the food.
