

Hi Kelvin,

I am in Playland. There are five big red slides, two green swings, big yellow springrider, a big green sandpit, dolls. I can play, read and write. I can't sleep and eat. I like playing with mum and dad but I don't like running with dad. I like running with mum too. We are happy. I wish I can go with you. Playland is fun!

Love,

Ammiee
