

Dear Mum,
I am in Candyland. It has many
yummy pink lollipops. It has brown
chocolate too. There are a lot of
sweet shops. There are happy children.
There are huge candies.
I can eat candies in the sweet
shop. We can't spit because it is dirty.

We like eating ice-cream because
it is yummy. We don't like doing
homework with teachers because it is boring.
Candyland is fun!

Love,
